PRESENT: Frank Perrin, Ray Davis, Richard Day, Stephen Henry, David Scott

1. The minutes of the January 9, 1991 Commissioners Meeting were unanimously approved.

2. The following payrolls were unanimously approved:

1/11/92	\$6509.67	1/18/92	\$6528.17
1/25/92	\$6468.96	2/1/92	\$6442.73
2/8/92	\$6600.00		

3. Invoices amount to \$1,912.90 were unanimously approved.

4. Water Management: Shirley Water Management went well until an abutter and Conservation Members objected. We decided to pull out for now and finish job when we see how things work.

5. Mosquito Bill 6223 has been refiled in the Legislature; it was refiled in its original form. Also Audubon 5500 has been refiled and at this point there are indications that it is an Amended Bill since it calls for hearings and has a name - The Mosquito Reform Bill. David attended a meeting with Audubon to point out our concerns with their bill.

6. Assessment to pay for the Reclamation Board services has never been charged to the East Middlesex Mosquito Control Project for their share. Towns within the other projects have carried the burden for the past three years. East Middlesex will now be assessed by the Reclamation Board for this year; past assessments will be let stand without East Middlesex being taxed.

7. Hopefully our Annual Report will be finished and out by the end of March 1992.

8. There will be a State Public Health Meeting on 2/25/92 with the projects to discuss EE for 1992. Also we haven't been reimbursed for the part our project played in the 1991 BTI application to combat EE. There is a quantity of unused BTI in storage and what will happen to it will be discussed at the meeting.

What we need is to have housed within the State a helicopter piloted and maintained so that it could be used in any one of the ten projects. This is what the State Board of Health should be considering.

9. The Wilmington Garden Club Meeting on March 19th at 7:30 p.m. will be attended by Jay Begin regarding a brook cleaning job.
10. AMCA Annual Meeting on March 14, 1992 will be held in Corpus Christi, Texas. David, Kenny, Curt and Frank will attend.
11. Next Meeting March 12, 1992.
12. Meeting Adjourned 1:50 P.M.
