

CENTRAL MASSACHUSETTS MOSQUITO CONTROL PROJECT

MINUTES OF THE COMMISSIONERS MEETING

DATE: December 9, 1993
TIME: 11:00 A.M.
PLACE: Davco Farm, Southborough, MA

PRESENT: Frank Perrin, Ray Davis, David Scott, Jeffrey Bean, Richard Day

1. The minutes of the November 17, 1993 Commissioners Meeting were unanimously approved.
2. The following payrolls were unanimously approved:

11/20/93	\$6354.80	11/27/93	\$6352.17
12/4/93	\$6341.73		
3. Invoices totalling \$970.59 were unanimously approved.
4. Finished restoration of wetlands in Natick. Almost finished a small job in Southborough.
5. New Jersey meeting in March 1994. David will attend. The AMCA Annual Meeting will be in San Diego in April 1994. David, Ken Courtemanche, Frank Perrin and Curtis Best will attend.
6. We will need two part timers in the spring.

New regulations from the Pesticide Board call for a two year apprenticeship before a Certification can be granted.
7. David will start working on a replacement vehicle for the Superintendent, and possibly one new pick-up. It depends on how the budget works out.
8. Received communications from the Conservation Commission in the Town of Tewksbury and the Army Corps of Engineers regarding a job done in the Town of Ashland. David has sent a letter to the Tewksbury Conservation Commission which hopefully addresses their concerns. Ashland requires a couple of permanent water blocks or check dams to raise the water up to satisfy the Corps of Engineers. David says we can easily accomplish this.
9. Communication received from the Town of Shirley requesting or trying to confirm that they don't get billed for 1994. If they conformed with the "vote out" rules they are all set; if they didn't they will have to file a rebate request.
10. Meeting adjourned 12:20 P.M.
11. Next Meeting January 20, 1994.

APPROVED: _____

Chairman
C.M.M.C.P.
