Gates Ct.	Oxford St. N	
Gwen Dr.	Pinehurst Ave.	

Mosquitoes with West Nile Virus were confirmed August 11 in two surveillance traps set by CMMCP in the northern part of town line in the Heard Street area and the Springbrook Road area.

CMMCP catch basin maps were checked and basins were retreated in the area. The areas below were sprayed on August 17 after Auburn Board of Health.

Additional surveillance traps have been set in the area to gauge population densities and for additional virus testing if possible.
